**To be considered for testing**, please complete the information on the following page and return to: [betsy.brentz@passporthealth.com](mailto:betsy.brentz@passporthealth.com). Note that if you participated in Round 1 or Round 2 testing, you are still required to complete and return this information to us.

**Forms must be received no later than Friday, May 22, 2015.**

- You may provide two NPI/PTAN combinations for each claim type.
- Each NPI/PTAN combination may have two HICN numbers associated with them.
- HICNs should be for non-deceased patients.

**Kindly return the above information to Betsy Brentz no later than Friday, May 22<sup>nd</sup>. DO NOT submit any forms directly to the MAC.** Nebo/Passport will submit any forms necessary for testing based on the information you provide to us.

Round 3 testing will begin on July 20<sup>th</sup> and end on July 24<sup>th</sup>. Providers who plan to submit claims for testing should be prepared to have their ICD-10 test claims coded and submitted to their test databases **no later than Friday, July 17<sup>th</sup>**.

Please direct any questions you may have to Betsy Brentz.

Thank you!!
